Sir:

This is in response to the Election/Restriction Requirement in the Office Action dated May 11, 2007.

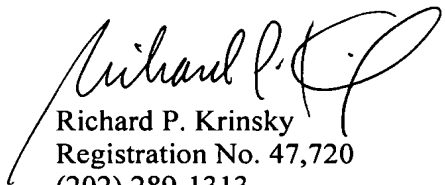

Applicants elect Species A, Figure 1 with traverse, in that Applicants assert that all claims are generic and therefore, all claims read on both Species A and B.

It is respectfully requested that upon allowance of one or more generic claims, that claims depending from the allowed generic claim or claims should also be considered and allowed.

In view of all of the above, the Application is now deemed to be in condition for allowance, and such is respectfully requested.

It is respectfully requested that, if necessary to effect a timely response, this paper be considered as a Petition for an Extension of Time sufficient to effect a timely response and shortages in other fees, be charged, or any overpayment in fees be credited, to the Account of Barnes & Thornburg LLP, Deposit Account No. 02-1010 (566/42764).

Respectfully submitted,
